

4th Annual LCU Baseball Alumni Weekend

September 10-11, 2010

NEW FORMAT THIS YEAR! Due to requests by several alumni, we have decided to change the setup of our Alumni weekend. This year, Alumni will be teaming up with guys from their respective eras to form teams for a softball tournament, to be held at Hays Field all day Saturday. We will likely have a round-robin format which will include alumni from all years and players from the current Chaps team.

Fill out the registration form with the information listed below. If you want to form a team, please designate a team captain and list that name on your registration form so we can separate everyone. You can also register as a single and be placed on a team. All open spots on each team will be filled with current LCU players. Each team will have a total of 10 players, which can be comprised of all alumni or a combination of alumni and current players. We will use standard men's softball rules and regulations for the tournament and prizes will be awarded to the winning team.

Also, if you will be in Lubbock on Friday, there will be tee times set aside at a course to be determined (either Shadow Hills or the LCU course) if you would like to play. The golf tournament will be a semi-annual event now, so we need *VOLUNTEERS* to step up for 2011. Contact Coach Blackwood for more information or speak with a committee member at this year's alumni weekend.
